

A Buck a Door or More Makes Sense!

The Nevada Legislative Action Committee (NLAC) is a volunteer committee of Community Associations Institute (CAI), consisting of homeowners and professionals serving homeowner associations (HOAs).

CAI is the largest organization in America dedicated to the monitoring of legislation, educating elected state lawmakers and protecting the interests of those living in community associations.

CAI-NLAC is working toward legislative solutions that are right for Nevada homeowner associations with the ongoing and generous support of HOA communities across the state. Join CAI's 2015 Legislative Action Committee and do your part by contributing a "Buck a Door or More" from your association.

"Each association should consult with their legal counsel to verify their governing documents permit this contribution on behalf of the association."
